

SUPPORTING ENERGY EFFICIENCY FOR FIRST NATIONS & METIS COMMUNITIES

Assess and upgrade your buildings across Alberta.

THE PROGRAM

Four Winds & Associates has been proudly selected by Natural Resources Canada (NRCAN) to spearhead the **Deep Retrofit Accelerator Initiative (DRAI)** aimed at enhancing energy efficiency and facilitating deep retrofits within First Nations & Metis Communities across Alberta.

THE BENEFITS

Fully Funded: No cost to the community, plus guidance in securing additional funds.

Retrofit Planning: Assistance in strategizing retrofitting of community buildings.

Building Assessments: Comprehensive evaluations to plan for improvements.

Energy Management: Access to JOBI for efficient tracking and project prioritization.

THE OPPORTUNITY

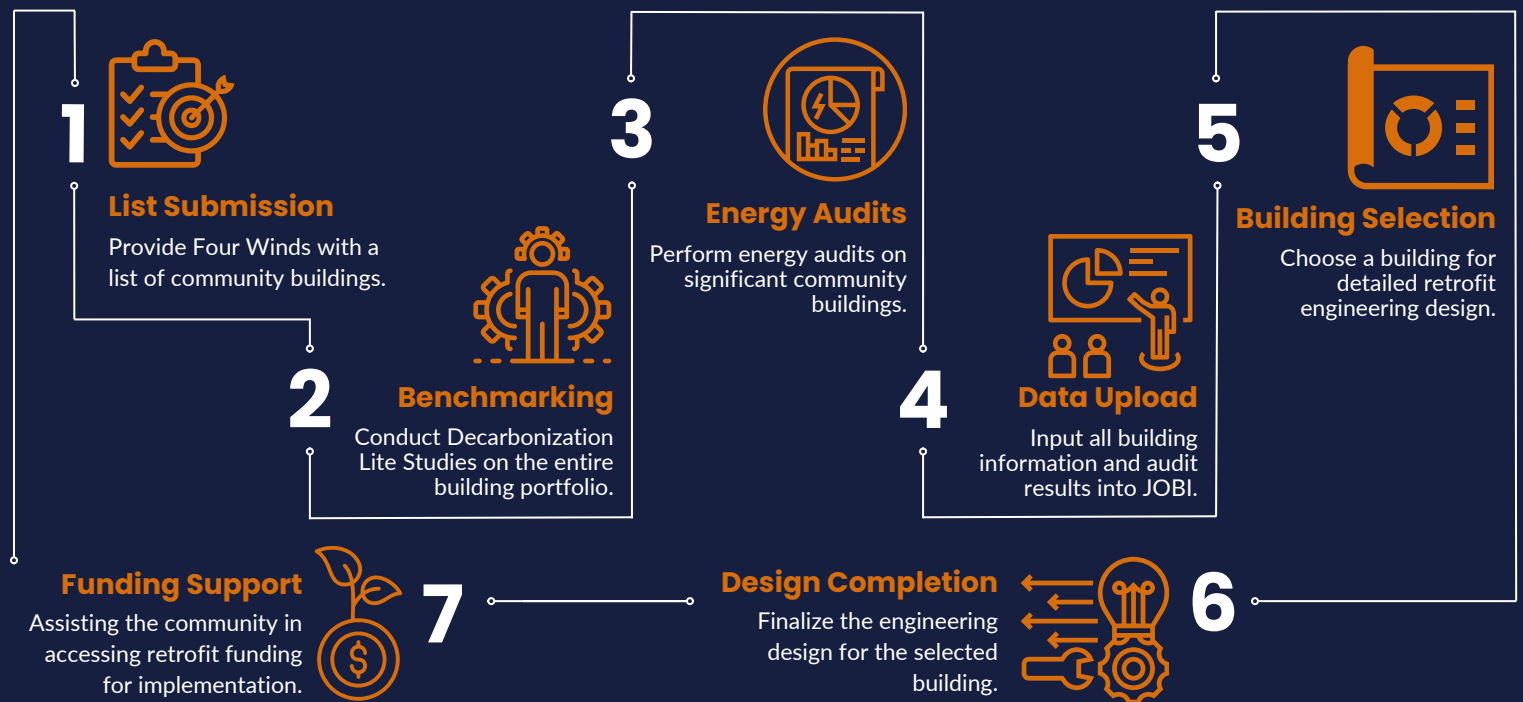

- First Nation and Metis' Settlement Community Public & Commercial Buildings
- Friendship Centres - Owned Buildings
- Indigenous Community - Owned Buildings
- Indigenous Not-For-Profit Organizations Owned Buildings
